

The Compugen Advantage

Enhanced Warranty Repair + Replacement Services for Microsoft Devices

As an Authorized Service Provider for Microsoft, our technicians have undergone rigorous training to meet Microsoft's standards, so you are assured that your Surface devices receive top-quality repairs and replacements. Our Enhanced Surface Service Plans can be customized to suit your needs.

Simple, Efficient, and Convenient

Fast Reliable Service

Efficient repairs and replacements using only genuine Microsoft replacement parts. We can have you back up and running by the next business day, minimizing disruption to your productivity.

Exceptional Customer Experience

From initial inquiries to post-service feedback, we are committed to providing you with a seamless experience.

In and Out-of-Warranty Coverage

Our services have you covered with your 3 and 4-year in-warranty coverage plans that cover a wide range of issues, including hardware failures, software glitches, display malfunctions, and more. We aim to provide comprehensive protection to ensure your Surface device operates smoothly.

Location Service Options

If you need on-site assistance or prefer to ship your device to us, we can accommodate your needs.

Let's Redefine Your Microsoft Surface Warranty Experience
